50 S. Broadway
Lebanon, OH 45036

We are looking forward to another successful farmer’s market in 2015!

LEBANON

Farmer's Market

VENDOR AGREEMENT

MARKET GUIDELINES AND RULES OF OPERATION

Goods, pricing and licensing

1. Vendors who participate in the market shall grow and/or prepare their product within Warren County or a surrounding county. Only high quality, homegrown produce will be allowed. Vendors shall grow or produce a minimum of 75% of their product, no more than 25% shall be purchased from another vendor within Warren County or a surrounding county.
2. All food products sold shall be in accordance with definition of "Cottage Food Production Operation" as defined in Chapter 3715 of the Ohio Revised Code. Additional information is available at the following website:
<http://www.agri.ohio.gov/divs/FoodSafety/foodsafety.aspx#tog>.
3. Each grower is required to have proper licensing and permits appropriate to the products they are selling. If prepared food items are sold, proper license shall be obtained from the Warren County Combined Health District by calling 695-1228.
4. The Warren County Auditor, Division of Weights and Measures (695-2618) shall certify all scales.
5. Pricing of produce shall reflect the average of the current market prices. We expect vendors to set fair prices and out of courtesy and not undercut their fellow vendors.
6. The term "organic" shall not be used unless a grower is certified organic and has shown sufficient proof.
7. Sellers shall have their prices clearly displayed.

Schedule and display requirements

1. The 2015 farmer's market season is May 14 thru October 15. The market will be held every Thursday from 3:00 PM to 7:00 PM. Market shall begin promptly at 3:00 PM. Vendors should arrive no later than 2:30 PM. to ensure that goods are ready for sale prior to opening the market. Sales end at 7:00 PM.
2. Vendors must provide clean and safe tables, baskets or stands to display products. There will be no sales from the surfaces of pick-up trucks or other vehicles. Vendors must display at the Market all licenses and permits required.

3. The use of trailers to display and sell goods shall be pre-approved by the city prior to set up and use. The use of trailers will be reviewed on a case-by-case basis.

General

1. A \$50.00 fee is required to participate in the farmer's market and is due with your application. The fee shall defer costs associated for advertising and promoting the market throughout the season.
2. Each vendor is required to carry product liability insurance with a minimum coverage amount of \$1,000,000. The City of Lebanon shall be named as an additional insured on the policy. Please provide the certificate of insurance with your application.
3. Vendors must maintain their area in a neat and tidy condition, and must leave the premises within one hour of Market closing, leaving behind no trash or debris. There shall be no overnight storage or anything left upon leaving after each sales day.
4. The farmers' market will operate within the defined boundary of the Main Street Parking Lot. In no case will the market block the sidewalks or street right-of-way.
5. Vendors are expected to cooperate with each other in a professional manner.
6. If a vendor fails to participate in the market for three (3) consecutive weeks, and does not notify the City of their intentions to participate in the market and/or make suitable arrangements for their absence, the vendor will be excused from the market for the remainder of the season. The City understands in many circumstances the growing season and harvest time can differ between various types of produce. If you foresee a time period within the market season that you will not be able to participate, please explain the circumstances for the absence and the time period involved. This information can be provided in the space at the end of the application.
7. The Market Manager has the discretion to approve vendors based on the guideline of promoting a healthy mix of products being offered at the market, and not over-emphasizing any one type of product.

Vendors are expected to sell their produce in accordance with the high business standards as outlined above. Failure to do so violates the terms of this agreement and is grounds for expulsion from the Market.

I have read and acknowledge the market guidelines and rules of operation governing the Lebanon Farmer's Market and agree to abide by them.
